For the purposes of Article 19(1) of Regulation (EU) 2017/1129, the information incorporated by reference that is not included in the cross-reference list above are either deemed not relevant for an investor or are otherwise covered elsewhere in this Base Prospectus.

The Issuer confirms that the unaudited results and other figures contained in the 2024 Results Press Release are consistent with the corresponding figures that will be contained in the Issuer’s consolidated financial statements as at and for the year ended 31 December 2024 (the "**2024 Annual Report**") and therefore have been prepared on the basis of the same accounting principles and standards utilised for the preparation of the consolidated financial statements of Intesa Sanpaolo as at and for the year ended 31 December 2023 in all material respects.

In the reclassified statements, the figures are normally restated, where necessary and if they are material, for ease of comparison. In particular, the amounts are provided as uniformly as possible with reference to the different periods covered, above all in relation to intervening changes in the scope of consolidation. Therefore, the unaudited results for the full year 2024 have been compiled and prepared on a basis which is comparable with the historical financial information.

Audit procedures by the statutory auditors on the 2024 Annual Report are currently in progress and the 2024 Annual Report will be available to the investors forthwith following its publication. See further "*General Information – Financial statements available*".
